

INTRODUCTION

COMPANY:

QLS (Vic) Pty Ltd
Quality Logistics Services P/L
QLS-Caffi Logistics P/L

QLS is a privately owned and operated business throughout Australia. We currently have approximately 57,000 square metres of warehousing Australia wide. In relation to warehousing and distribution we are specialists in both the areas of brown and white goods and currently warehouse for some of Australia's leading brand names.

All our warehouses are equipped with latest in handling equipment to ensure your product is handled in the best possible environment.

All products are scan picked and tracked throughout the process of delivery. With the nature of the product we warehouse, our security is of the highest standard possible and a full brief is available upon request. Full camera surveillance is utilized with back to base monitoring and full GSM back up at all sites

We are focused on the provision of quality and personalized service to each and every one of our customers. The trend towards outsourcing warehousing is still very strong Australia wide as companies realize the savings and benefits of the concept. It frees up capital and resources and allows companies to get back to the real issues driving their business such as the marketing and sales of their products.

Any decision of this nature is not a simple one and we would welcome the opportunity to go into more detail if you require any further information. QLS has the capability to offer a full range of services in warehousing and distribution but not limited to:

- General Freight
- Road Express
- Local Cartage
- Local courier and taxi trucks
- Contract Warehousing
- Integrated Distribution
- Dedicated Fleet Management

QLS strives to maintain the highest standards of service available to you the customer and the customer's customer at all times, with the flexibility to meet future demands and a changing market environment.
